Cosmopolitan Mechanical Services Inc. specializes in HVAC installations, sales and services. Cosmopolitan has a proud history of serving its customers for many years. We are committed to responding to our customer's needs with the highest standards of professional integrity and quality workmanship. We will deliver beyond what is expected by our customers. At Cosmopolitan we develop systems and packages that provide an indoor environment that is clean, comfortable, efficient, safe and healthy.

Cosmopolitan Mechanical Services Inc. is committed to home comfort, and we offer the ultimate in services to ensure just that. Our goal is to provide you worry free heating & cooling repair & maintenance services. We not only just offer a product, but also we strive to offer a custom solution to your home comfort issues. With the HomeComfort Protection Plan you can achieve and maintain maximum safety and efficiency of your home comfort equipment and protect against the cost of unexpected breakdowns and repairs.

Under our HomeComfort Protection Plans, every year your equipment receives an automatic and free safety service inspection. Scheduled service & maintenance will reduce the chance of sudden breakdown, lower fuel consumption and save you money in energy costs.

Home Comfort Protection Plan guarantees:

- Savings in Energy Costs
- Priority Service
- Free Annual Services
- Extend the Life of Your System
